FÓRUM MÉDICO INTERNACIONAL SINO-LUSO (QUARTA FASE) SINO-LUSO INTERNATIONAL MEDICAL FORUM (SERIES FOUR) 中葡國際醫學論壇(系列四)

Abordagem Actual a Doenças Cardiovasculares

Current Approach in Cardiovascular Diseases

心血管疾病的現代管理

KEYNOTE SPEAKERS

Prof. Yang Jing 楊鏡教授 CHINA 🇨🇳

Vice-President and Secretary General of
Chinese Medical Doctor's Association
常務副會長兼秘書長

Prof. Guo Chang Qing 高長青教授 CHINA 🇨🇳

Chairman of Department of Cardiovascular Surgery
PLA301 General Hospital – Director of Medical Affairs
中國人民解放軍總醫院, 心血管外科主任

Prof. Leung Ping, Maurice 梁平教授 HONG KONG 🇭🇰

World-renowned Pediatric Cardiologist & Clinical Instructor,
Faculty of Health Sciences, MUST
世界兒科心臟學權威, 澳門科技大學健康科學學院臨床帶教指導老師

Dr. Wong Kwok Yiu, Chris 王國耀醫生 HONG KONG 🇭🇰

Pre-elect President of Hong Kong College of Cardiology
& Clinical Instructor, Faculty of Health Sciences, MUST
香港心臟學院候任主席, 澳門科技大學健康科學學院臨床帶教指導老師

Dr. Albertino Damasceno MOZAMBIQUE 🇲🇵

Chief of Service, Cardiovascular Team, University of Maputo
莫桑比克馬普托大學心臟科主任

PART ONE DINNER SYMPOSIUM

Saturday, 26th November 2011 (5:00pm - 10:00pm)
Ballroom, Grand Lapa Macau

LECTURES INCLUDED:

- Modern management of CVD in Pediatric
- PCI in ACS patients
- Robotic technology in CABG

PART TWO CLINICAL WORKSHOPS & LECTURES

Sunday, 27th November 2011 (9:30am - 6:00pm)
Center of Medical Professional Development, Faculty of Health Sciences
Macau University of Science and Technology

CNE: 3 points each day

Enquiry and registration:

aizza.event.kelly@gmail.com

Chaired by
Macau University of Sciences and Technology:
Faculty of Health Sciences

Press Release

Sino-Luso International Medical Forum (Series Four) Current Approach in Cardiovascular Disease Fórum Médico Internacional Sino-Luso (Quarta Fase) Abordagem Actual da Doenças Cardiovasculares

This 2-day forum event is chaired by the Macau University of Science and Technology: Faculty of Health Sciences and organized by the Macau Healthcare Management and Promotion Association (MHMPA) on 26th -27th November, 2011 in Macau SAR, China.

We are very pleased to announce that an outstanding tele-robotic surgeon dubbed "The Father of Robotic Surgery in Asia", Prof Gao Changqing, director of 301 PLA General Hospital, will be participating in our forum as one of our keynote speakers.

He is joined by other leading experts in this field. Chief among them are: Prof Yang Jing, Vice President and Secretary General of Chinese Medical Doctors Association, headquartered in Beijing. Also joining is Dr Albertino Damasceno from Mozambique, a cherished surgeon from University of Maputo, Prof Maurice Leung, a world renowned pediatric cardiologist, and Dr Chris Wong, the pre-elect President of Hong Kong College of Cardiology. These great minds will be bringing along their latest research findings to this meaningful symposium.

Professor Gao Changqing is truly an ambassador of our Sino-Luso International Medical Forum. For example, this year Professor Gao has trained up the entire robotic surgical team from Sao Paulo, Brazil.

Moreover, Professor Gao has performed over 400 cases of mitral valve repair and replacement and many challenging minimally invasive heart surgical procedures by deploying tele-robotic technology in the past 3 years. Amongst these tough procedures, five of them are recognized as "First in the World".

Professor Gao is an associate Editor-in-Chief of the Journal of Robotic Surgery of USA and has successfully published over 230 journal articles and 5 books in the areas of mitral, aortic valve repair and replacement, and heart transplantation.

The purpose of all sessions is to improve the quality of current techniques in handling cardiovascular diseases. This will offer the participants a comprehensive presentation of trends in relations to the latest developments of this very special field; namely patient safety and new tele-robotic technologies.

Finally, Dean of Faculty, Prof Manson Fok (MUST) and a strong team of Macau experts in this field, including Dr Mario Evaro, the Chairperson of the Macau Cardiology Association and Head of Cardiology Department at the Hospital Centre S. Januario, will preside over the entire forum in order to discuss and give an overview of the current approach in cardiovascular diseases here in Macau, and how to move towards international standard.

This meaningful event is supported by the Ministry of Health, PRC as well as a list of outstanding healthcare organizations and Portuguese speaking associations here in Macau.

The Symposium Dinner will also be held after the forum on the 26th November Saturday evening. Keynote lectures start at 5:00 p.m. at the Dining Hall of the magnificent 5-star Grand Lapa Hotel, Macau located on the 1st floor.

- Please feel free to contact our Foreign Affairs Officer at billy.chan@peddermacau.com or call during office hours +853 6688 7649, you may also reach our Assistant Foreign Officer, Ms Fatima Cameira at +853 6659 7943 fcameiramb@yahoo.com if you have any questions.

霍文遜倡建區域醫療訓練中心

科大醫院介入導管室設施完備

澳門科大健康科學院項目拓展主任陳比利介紹中心的教學設施

“中國醫師協會臨床技能仿真訓練澳門培訓中心”揭牌儀式

澳門科技大學健康科學院與中國醫師協會共同在澳門設立唯一一家臨床技能模擬培訓中心，雙方將致力開展醫生專業培訓和交流。“中國醫師協會臨床技能仿真訓練澳門培訓中心”揭牌儀式暨科大醫院介入導管室啟用儀式於昨午假澳門科技大學舉行。

發展中葡醫療平台

培訓中心揭牌儀式於昨日下午三時半假澳門科技大學 N 座禮堂舉行，國家衛生部副部長黃潔夫，國家衛生部台港澳辦公室副主任、國際合作司副司長王立基，澳門衛生局代表山頂醫院醫務主任李偉龍，中國醫師協會常務副會長兼秘書長楊鏡，中國人民解放軍總醫院心血管外科主任高長青，澳門鏡湖醫院代表醫務部副主任朱向輝，中國人民解放軍第三軍醫大學西南醫院燒傷研究處處長吳軍，中國醫師協會對外聯絡部副主任石麗英，中國工程院院士、香港大學醫學院微生物學系主任袁國勇，香港醫學專科學院前主席方津生，澳門科技大學校長許敬敖、副校長劉良，澳門科技大學健康科學院院長霍文遜，科大醫院院長兼澳門科技大學中醫藥學院院長王玉來和科大醫院董事蕭正倫出席活動。

許敬敖表示，澳門科技大學健康科學院一直致力推行多種醫學臨床培訓課程，務求為本地醫生提供更多持續高效的培訓平台。是次與中國醫師協會共同成立培訓中心，不僅要為本地醫療持續培訓和兩地交流打好基礎，更以此擴展至其他葡語系國家，藉着澳門的文化和平台優勢，以此發展為中葡醫療交流平台。

中心服務兩地醫師

與此同時，經過近半年的籌備，科大醫院介入導管室也於十一月正式投入服務，介入導管室條件完備，並已組成一支經驗豐富，可以廿四小時提供急救服務的專業團隊，期望能為本澳市民提供更優質的醫療專業服務。

楊鏡表示，“中國醫師協會臨床技能仿真訓練澳門培訓中心”的成立，是中國醫師協會與澳門科技大學健康科學院自二〇一〇年十月簽署合作備忘錄以來一次具有實際意義的重要舉措，正是基於雙方共同為醫師服務的信念，為雙方的合作奠定堅實的基礎。他相信培訓中心的成立，一定會使雙方的合作邁向實際，從而更好地服務於澳門和內地醫師。雙方都期待以此為平台，使大家的合作進一步拓展到與所有葡語系國家及世界其他國家。

澳門科技大學健康科學學院院長霍文遜表示，醫療持續培訓是全球趨勢，建議政府將本澳發展成為區域性高科技醫學訓練及會議論壇中心。澳門科技大學全力配合政府的醫療發展，與中國醫師協會合作，成立臨床技能仿真訓練澳門培訓中心，提供高質素、具認受性的課程，為本地醫護人員的持續培訓貢獻力量。

霍文遜表示，醫療持續培訓是全球趨勢，為了整合澳門的醫療需求和發展，本澳必須前瞻性策劃，設定高技能教學課程，引入先進高科技教學醫療器械，務求達到國際認可標準。本澳一直以旅遊博彩為主，建議政府將本澳發展成為一個區域性高科技醫學訓練及會議論壇中心。

澳門科技大學健康科學學院專業醫療發展中心致力建立高水準、高質量的醫學課程，為澳門及地區醫療界提供一個安全、無風險的環境下接受認可技能，增強專業知識及操守。“中國醫師協會臨床技能仿真訓練澳門培訓中心”是專業醫療發展中心核下其中一個中心，中心內設有多台內窺鏡模擬機械、人體模擬模型和急救設備等，讓學員能在高度像真的環境下，模擬進行手術、急救及相關護理操作。澳門科技大學將根據本地區的需要，引入高水準的師資和專科培訓課程，為本地醫生和護士提供更規範的培訓，完成課程後所獲的證書為中國醫師協會認可，具有一定的認受性。他指出，本澳尚未有專科醫生考核及認證制度，澳門科技大學健康科學學院與中國醫師學會合作培訓本地醫生，可以為衛生當局提供專科醫生資格認證。

過去本澳的醫護人員要持續培訓需到內地、香港以及其他地區，通常都是短期培訓，有時間參與的人不多。澳門科技大學所提供的專業課程將為本地醫務界提供持續、高效的培訓，有助提升本澳醫療質素。
